

Quick Start Guide

- 1. Plug in the USB cable into the USB-C port and power adapter (power adapter not provided). After powering on the Bridge, it will take about 90 seconds to initialise.
- 2. When the Bridge has initialised, it will go into "Ready to Pair" mode (both WiFi and Bluetooth LEDs blinking).
- 3. Bridge will stay in this mode for 10 minutes.

- 4. Download our igloohome App. Available on App Store & Google Play.

App Store

<https://go.igloohome.co/ios>

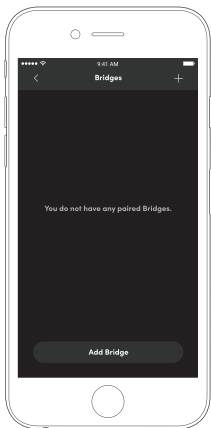

Google Play

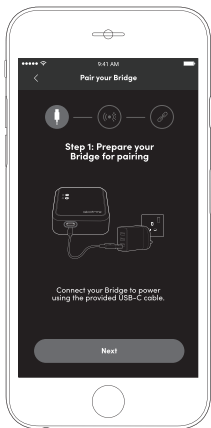

<https://go.igloohome.co/android>

- 5. Register / log in on the igloohome app and go to [Add and Manage], select [Bridges], and click on the [+] sign at the top right corner.

- 6. Simply follow the on-screen instructions to set up your Bridge.
