Declaration of Product Safety Information

We, Copenhagen Design, hereby declare that, based on the products we design and develop, there is no requirement to provide safety warnings or hazard-related information under applicable product safety regulations.

Our products are developed with a focus on quality, design, and usability, and are not intended for uses that would necessitate specific safety labeling or consumer warnings. They do not contain hazardous materials, are not intended for hazardous use, and do not pose known risks under normal or intended use.

This declaration is made in good faith and is based on our current product portfolio and usage guidelines.
