Statement regarding product instructions

Moji product range

To whom it may concern,

We hereby confirm that, within the moji product range, the only products supplied with specific instructions are the warmers.

No separate instructions are provided or required for the other moji items, including both the current and previous product lines, such as:

- Body sponges
- Towels
- Blankets
- Trivets
- Hair bands
- Kitchen sponges
- Picnic blankets
- Shopping bags

For all of the above products, the relevant product information is provided on the packaging where applicable, and no additional instruction leaflet is foreseen.

This statement is issued upon request for official confirmation of the above.
