EXPERIENCES

Everyday Ambient Lighting

Set comfortable white light with warm to cool tones for everyday ambience.

Set the Mood

Add a pop of color with dynamic lighting. Scenes and beautiful gradients for special occasions.

Enhance Your Entertainment

Create an immersive cinematic experience right at home with Sync+ mirroring your TV, or turn on Rhythm Music Sync to see your favorite songs come to life.

Seamless Smart Controls

Control your lights with a range of options, including Wi-Fi, Bluetooth or Matter over Wi-Fi. Or use Nanoleaf's Sense+ Switch for motion sensing.

WHAT MAKES THE FLOOR LAMP SPECIAL?

Vibrant Colors & Tunable Whites

Create the perfect ambience with 16M+ dynamic colors and a full range of white light options. With 1700 lumens at max brightness, transform your space with rich vivid hues.

Works with Matter

Use with Matter over Wi-Fi for the most seamless control and automations with all of your smart home devices.

Hands-Free with Sense+

The Floor Lamp also works with Nanoleaf's Sense+ Wireless Switch for hands-free lighting, automatically turning your lights on/off with motion and daylight sensing.

Immersive Screen Mirror

Sync your lights with the colors on your TV, taking your movies, games and entertainment beyond the screen. Set up with Nanoleaf's Sync+ technology and 4D.

WHAT MAKES THE FLOOR LAMP SPECIAL?

Music Syncing

Create the perfect mood for parties and get together with the built-in music visualizer, turning your favorite playlists into dynamic light shows.

Slim Modern Design

The Floor Lamp's sleek minimal design fits in with any home aesthetic, making it the perfect way to add a subtle splash of color for everyday.

Flexible Controls

Control with the Built-in Controller, Nanoleaf App, or your preferred Smart Home App (Apple, Google, Alexa, Samsung) via Matter.
