# VEGAN-LEATHER PASSPORT COVER WITH FINDMY

1

Charge the Passport Cover with a wireless charger (*not included*). The status light will be orange while charging and green when fully charged.
It is recommended to charge once every three months.
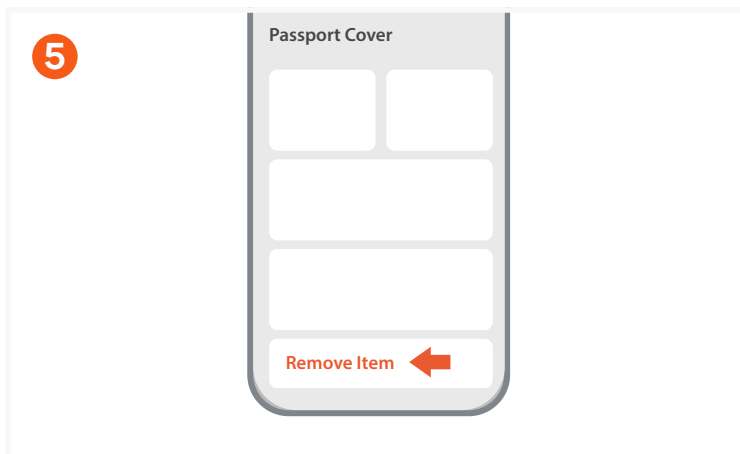

2

POWER
ON

1x

To power on the Passport Cover, press the power button once. It will beep to indicate it is on.
If not paired within 10 minutes, it will beep and automatically power off.

3

POWER
OFF

2x
+
5 sec

To power off the Passport Cover, quickly press power button 2 times, then long-press for at least 5 seconds until you hear two beeps.
When device is powered off, you cannot track its location.

4

Add Item

Other Supported Item

Connect

To pair the Passport Cover, open the Find My app, tap **Add Item** under **Items**, and tap **Other Supported Item**. Once "Satechi Passport Cover" is detected, tap **Connect**.
Do not leave the app while pairing the device.

5

Passport Cover

Remove Item

To remove the Passport Cover, open the Find My app, tap the Passport Cover under **Items**, tap **Remove Item**, tap **Remove**, and confirm to remove.
If unable to pair with a new device, a factory reset must be done.

6

RESET

4x
+
3 sec

To factory reset the Passport Cover, quickly press the power button 4 times, then long-press for at least 3 seconds. You will hear a confirmation sound, indicating that the factory reset is complete.
