

## **INFORMATION FOR THE SAFE USAGE OF THE PRODUCT – TABLET COVER**

Avoid misuse. Use only for the purposes indicated on the product and for the original purpose for which the product was designed. Ensure that the cover is compatible with the specific model of tablet. Do not use near heat sources to prevent deformation. The case provides protection against minor scratches and impacts; avoid dropping it or subjecting it to strong impacts that could damage the device. Avoid immersion in water and the use of harsh cleaning agents, which could damage the materials. Store in a dry place to prevent exposure to moisture, which could harm both the case and the device inside it. Limit exposure to the elements. Protect the case from prolonged exposure to sunlight and rain to maintain the integrity of the materials and prevent damage to both the case and the device it contains. Do not bend the case: it is not designed to be folded. Bending the product may cause damage, breakages, or permanent creases that could compromise the integrity of the materials, components, and the protection of the device inside. Clean with slightly damp cloth. Dispose of the product in accordance with the current regulations of your local municipality. The packaging disposal instructions can be found by scanning the QR code on the packaging. Regularly check the cover for signs of wear and replace it if necessary. The materials used in this product comply with the REACH Regulation (EC Regulation No. 1907/2006), ensuring conformity with EU safety standards. This product is covered by a two-year warranty. For any questions regarding the functionality, safety, or connection methods of the product, please contact TUCANO customer service. Visit [www.tucano.com](http://www.tucano.com) for more information. This information ensures compliance with applicable regulations and protects consumers during use.
