

### Quick Start Guide

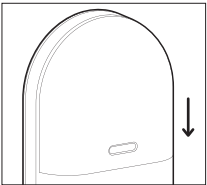

1. Remove the battery cover from the fob by sliding it upwards

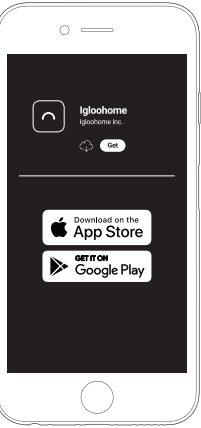

2. Insert the CR2032 Coin Battery into the battery slot.

3. Close the battery cover by sliding it downwards.

4. Download our igloohome App.  
Available on App Store & Google Play.

App Store

<https://go.igloohome.co/ios>

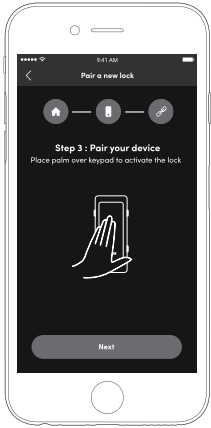

Google Play

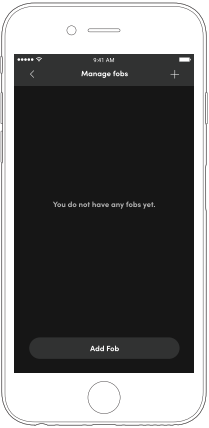

<https://go.igloohome.co/android>

5. Register / log in on the igloohome app and simply follow instructions to pair your new lock.

6. Go to [Configuration], select [Manage fobs], and click on the [+] sign at the top right corner and follow the instructions.
